

MEMBERSHIP INTAKE TRAINER CERTIFICATION ANNOUNCEMENT!

The National Scholarship and Standards Committee is pleased to launch the 2020 Membership Intake Trainer Certification Process. The Membership Intake Trainers Certification provides a standardized selection process and consistent certification process for all seven Regional Directors to select Membership Intake Trainers.

Regional Directors shall select a group of applicants to attend an eight (8) hour Membership Intake “*Train the Trainer*” session.

If appointed, the certified trainers shall serve as regional membership intake trainers for two years. Please note that the Membership Intake Trainer Certification process requires all current and past trainers complete the application and be selected by the Regional Director in order to proceed.

The Membership Intake “Train the Trainer” session, conducted by the National Scholarship and Standards Committee, will be held during the 2020 Regional Conference Cycle. The eight (8) hour “*Train the Trainer*” session shall be specific to the Membership Intake process and provide pertinent information to share with chapters during training.

Certificate of Completion and Certification:

The official appointment as a Regional Membership Intake Trainer by the Regional Director shall take place after the “*Train the Trainer*” workshop is completed and the trainer conducts two membership intake chapter trainings during the sorority year.

The **Certification Process**, **Application Process** and the **Application** are posted on the Region’s website. Please review and complete the Application and submit electronically to the Regional Director by **12 midnight on Friday, February 21, 2020**. The Regional Director will notify the selected trainers during the month of March, 2020.
